

The arms deal in your pocket, 2008, 357 pages, Paul Holden, 1868423131,
9781868423132, Jonathan Ball, 2008

The Arms Deal in Your Pocket is a detailed analysis of why and how the arms deal has become the poisoned well of South African politics. The plethora of newspaper articles, court cases, conspiracy theories and counter-allegations surrounding the deal still leaves many scratching their heads. This book aims to clear the confusion. It starts at the roots and works its way to the present, telling the story in the simplest way possible. From what was bought, why it was bought, and what it cost: all of these are explained in a book that can be read within a day.
